#### **Employment Procedures**

The Board of Education, upon recommendation of the Superintendent, votes on the employment of all staff members. In approving applicants the Board will be guided by the desire to obtain individuals committed to providing the highest quality education for the District's students. For Title I staff qualifications and hiring, refer to Policy and Regulation 1621 – Title I.

No person will be employed by the Board until the District obtains a clear criminal records check and a clear check of the Child Abuse/Neglect Registry maintained by the Missouri Department of Social Services. Similarly, all persons employed by outside vendors/contractors who will have contact with students will be required to successfully undergo a criminal records and a clear check of the Child Abuse/Neglect Registry prior to contact with students. Such background checks will be performed at the vendors/contractors' expense and will, upon request, be shared with the District. All finalists for an employment position will be required to sign a release of liability authorizing prior employers, including school districts, to furnish any information about the applicant and the applicant's work performance, including but not limited to discipline records and performance evaluations. The administration may also conduct random background checks after employment. Failure to check references and prior employment for new hires prior to their start date may result in disciplinary action up to and including suspension without pay.

As part of the criminal records check, any person employed after January 1, 2005, shall submit two sets of fingerprints to be used by the Missouri Highway Patrol and the Federal Bureau of Investigation. The fingerprints shall be collected pursuant to standards determined by the Missouri Highway Patrol.

All vacancies should be posted for a minimum of ten (10) school days before the Superintendent may recommend a qualified applicant to the Board for employment. In an emergency situation the Superintendent may temporarily employ an applicant prior to the expiration of the posting. The temporary applicant may be considered along with other applicants for the position after the ten days. However, in order to hire a Board member's spouse, the position must have been advertised. (Refer to Policy 0342 – Nepotism, Conflict of Interest and Financial Disclosure.)

The information the District should provide is title, position, length of employment, whether the employee was terminated or resigned, and whether the District would re-hire the employee.

Additionally, when requests for information regarding a former employee against whom allegations of sexual misconduct involving a student have resulted in the employee being terminated or resigning in lieu of termination, or allegations of sexual misconduct have been

substantiated by Children's Division, the Superintendent or his designee shall disclose the allegations of sexual misconduct and the findings of a CD investigation when responding to requests for information to a potential public school employer .

Any school district employee who is permitted to respond to requests for information, acting in good faith, who reports authorized information, as provided in this policy or, who, in good faith, reports alleged sexual misconduct on the part of a District employee, will not be disciplined or discriminated against because of such report.

This foregoing policy is intended to comply with the Amy Hestir Student Protection Act, Senate Bill 54, including section 162.068 RSMo. The District shall provide notice of this policy to all current employees and to all potential employers who contact the District regarding the possible employment of a District employee.

A copy of electronic communication between student and employee may be sent to the appropriate building administrator to suffice as documentation. Such notification is not required where the communication is between the teacher and his/her immediate family. Immediate family is defined as spouse, parent, grandparent, child, sibling, daughter or son-in-law, grandchild, or non-family residing within the staff member's home.

The District does not have sufficient staff to monitor every communication between employees and students and does not, therefore, commit to monitoring such communication. Nonetheless, where there is reason to believe that an employee has inappropriately communicated with a student(s) they may require the teacher to provide access to the specific communication in question.

The District will provide official electronic media which may be utilized by employees for communication with students for dissemination of school related information (i.e. homework, practice schedules, supplemental instructional material.)

#### Resignation: Certificated Staff

Certificated employees who for any reason intend to retire or resign at the end of the current school year are encouraged to indicate their plans in writing to the Board as early as possible, but no later than June 1.

Resignations to become effective during the school year require a release by the Board and must be considered on an individual basis. Letters of resignation shall be submitted to the Superintendent/designee and the principal/supervisor. The letter should state reasons and an effective date for the resignation.

It is the practice of the administration to recommend to the Board those certificated employees who request to resign after June 1 and prior to July 31 be released from their contracts when there is good cause determined by the Board. After July 31, a certificated employee may petition the Superintendent to recommend a release from his/her contract for extremely unusual reasons. Should the Superintendent decline to recommend a release and the certificated employee leaves the District, the District reserves the right to pursue any and all legal options available to it.

Upon request of the employee, a meeting with the Board of Education will be scheduled to review the recommendation for suspension or dismissal. Contractual employees, who are not offered a new contract, are not entitled to meet with the Board of Education. #### **Employees with Communicable Diseases**

An employee may be excluded from work if the employee (1) has, or has been exposed to, an acute (short duration) or chronic (long duration) contagious or infectious disease, and (2) is likely to transmit the contagious or infectious disease, unless the Board of Education or its designee has determined, based upon medical evidence, that the employee:

2. Is not in the contagious or infectious stage of an acute disease.
3. Has a chronic infectious disease that poses little risk of transmission in the school environment with reasonable precautions.

School officials may require an employee suspected of having a contagious or infectious disease to be examined by a physician and may exclude the employee from work, in accordance with the procedures authorized by this policy, so long as there is a substantial risk of transmission of the disease in the school environment.

Employees with acute or chronic contagious or infectious diseases have a right to privacy and confidentiality. Only staff members who have a medical reason to know the identity and condition of such employees will be informed. Willful or negligent disclosure of confidential information about an employee's medical condition by staff members will be cause for disciplinary action.
